

Friends of Pumpkinfest,

Planning is underway for the 2024 Anamosa Pumpkinfest and Ryan Norlin GIANT Pumpkin Weigh-Off! The Weigh-Off began in 1989 and since then Pumpkinfest has been a staple amongst the community, drawing in thousands of visitors to town each year. This year's theme is "Save the Pumpkins." October is Breast Cancer Awareness Month. This will be a redux of the 2019 theme. Much of the Pumpkinfest celebration in 2019 was rained out.

Anamosa had a record setting year in 2022 with a new site and state record for the largest pumpkin weighing 2424 pounds by Pete Caspers. We kept the records rolling with Marc Petersen setting the new state long gourd record at 131.75".

This year's Pumpkinfest will include many of your favorites: Craft and Food Vendors, 5K Run/Walk, Big Wheel Races, Kids' Games, our HUGE Parade, Car Show and many more.

With your support, we can build on tradition and Pumpkinfest will continue to be a true Main Street Festival. Donations may be made to **Anamosa Festivals**, a 501(C)(3).

Sponsor Name: _____

Sponsorship: \$ _____

Thank you for your continued support!
